2. Center for Inspired Teaching conducts research on the process of teachers' professional growth. Institute members are expected to participate in basic program evaluation activities including surveys, interviews, and classroom visits; Institute members may be recruited for more in-depth case studies on a volunteer basis. The information collected is NOT an evaluation of your teaching and all information about individual teachers is kept confidential. Inspired Teaching looks at the group of teachers as a whole, not at individual teachers. Your signature below indicates your willingness to participate.
